

What is Small Worlds?

Small Worlds Dubai is the first & only interactive miniature world in the region. This unique indoor attraction showcases a 1:87 scale representation of Europe, brought to life with moving vehicles, animated scenes, and incredible attention to detail. Visitors are immersed in a living, breathing world where trains, planes, and tiny people play out dynamic stories across beautifully crafted landscapes.

Located in Expo City Dubai, Small Worlds offers a mesmerizing experience that blends creativity, imagination, and discovery for visitors of all ages.

What Can I Do in Small Worlds?

- Interact with the miniature world using push-button controls that activate scenes
- Watch a full day unfold every 20 minutes with sunset-night-sunrise lighting effects
- Embark on a discovery quest to spot hidden moments and characters
- Explore how the world was designed and built, from concept to creation
- Observe expert model builders at work behind the scenes
- View the entire attraction from a raised platform offering a bird's-eye perspective and a perfect place for social media posts

And there's more to come — future expansions will feature Dubai, India, and Africa in miniature.

For who is Small Worlds

- For all ages — young and old
- Families looking for a fun and truly unique outing without comparison
- Curious minds fascinated by creativity, design, and storytelling

Small Worlds is a memorable experience that sparks curiosity, encourages learning, and brings joy to every visitor.
